

# TIC-TAC-TREAT!

BY: MATT HEWES

LAYOUT: PATRICK LIDDELL

IT IS TIME TO GO TRICK-OR-TREATING! YOU AND YOUR FRIENDS HAVE DECIDED TO MAKE A COMPETITION OUT OF IT: YOU WILL ALL RUN TO DIFFERENT BLOCKS AROUND YOUR NEIGHBORHOOD AND COLLECT AS MUCH CANDY AS YOU CAN, IN A RACE TO GET THE MOST! EVERY TIME YOU COMPLETE A BLOCK, YOU WILL HAVE TO RUN BACK TO YOUR PARENTS AND DROP OFF YOUR HAUL BEFORE YOU GO TO A NEW ONE. WHEN ALL THE BLOCKS HAVE BEEN EXPLORED, WHOEVER HAS THE MOST CANDY IS THE WINNER!

## SETUP:

- PRINT OUT THE FOLLOWING CARD SHEETS FOR A 2 PLAYER GAME. IF YOU HAVE MORE THAN 2 PLAYERS, PRINT MULTIPLE COPIES OF THE CARD SHEETS.
- CUT OUT THE CARDS AND SHUFFLE THEM UP ALL TOGETHER.
- PLACE A PILE OF HALLOWEEN CANDY - CANDY CORNS ARE IDEAL - IN THE CENTER OF THE TABLE, ALONG WITH A 6-SIDED DIE AND THE STACK OF BLOCK CARDS.
- EACH PLAYER TAKES ONE BLOCK CARD.
- YOU WILL NEED ONE SIX-SIDED DIE.

## GAMEPLAY:

YOUNGEST PLAYER GOES FIRST.

## TURN ORDER:

- THE PLAYER WHOSE TURN IT IS ROLLS THE DIE. THEY MAY CHOOSE TO REROLL IT EXACTLY ONE TIME, OR KEEP THE NUMBER ROLLED.
- EACH PLAYER TAKES ONE PIECE OF CANDY FROM THE PILE AND PLACES IT ON THEIR CARD, IN THE ROW OR COLUMN MATCHING THE NUMBER ON THE DIE.
- WHEN A PLAYER GETS 3 CANDIES IN A ROW, HORIZONTALLY, VERTICALLY, OR DIAGONALLY, THEY TAKE ALL OF THE CANDY OFF OF THEIR BLOCK CARD AND ADD IT TO THEIR COLLECTION. THEN THEY TURN THEIR BLOCK CARD FACE DOWN AND TAKE A NEW CARD FROM THE STACK.
- IF YOU PLACE A CANDY ON THE GHOST 🧛 SPOT, YOU MAY FORCE A PLAYER TO REMOVE A PIECE OF CANDY FROM THEIR COLLECTION - NOT BLOCK CARD - AND RETURN IT TO THE PILE.
- IF YOU PLACE A CANDY ON THE VAMPIRE 🧛 SPOT, YOU MAY TAKE AN EXTRA PIECE OF CANDY FROM THE PILE AND ADD IT TO YOUR COLLECTION - NOT BLOCK CARD.
- IF YOU PLACE A CANDY ON THE PUMPKIN 🎃 SPOT, YOU MAY IMMEDIATELY REROLL THE DIE AND ADD ANOTHER CANDY TO YOUR CARD.

THE PLAYER WHO ROLLED PASSES THE DIE TO THE PLAYER ON THEIR LEFT, AND THE TURN ORDER STARTS AGAIN.

WHEN A PLAYER HAS TO DRAW A NEW BLOCK CARD BUT THE STACK IS EMPTY...  
GAME OVER!

EVERYBODY PUTS THE CANDY THAT IS STILL ON THEIR CARDS BACK INTO THE PILE. WHOEVER HAS THE MOST CANDY IN THEIR COLLECTION IS THE WINNER! BUT PLEASE REMEMBER TO SHARE, ANYWAY! 😊
